

The Schnauzer Club of Great Britian 97th Championship show – Sunday 23rd November 2025

Schnauzer – Judge Laureen Woods – (Penbro)

I would like to thank the club for inviting me to judge at their championship show. It has been a while since I have awarded CC's in this size of Schnauzer. I was pleased to see the length of front leg has improved and there were very few exhibits with the short front leg which throws the balance of the dog. That said so many were overweight especially throughout the bitch classes, and still a few poor mouths which is a fault across all three size schnauzers, and sad to see in a breed with such good length of muzzle.
