

## **Schnauzer Club of great Britain Championship Show Nov 23rd 2025**

I thank the committee for the appointment at this show to judge the BIS, RBIS, BPIS, BVIS & BOS. Which I really enjoyed doing. Also thank you to my stewards.

### **BIS. CH/ INT/MULTI/CH. Tara Leebren Grand Calvera, JW (IMP CZE} Lewington.**

Schnauzer, Black Bitch caught my eye as soon as she entered the ring very Schnauzery. Making a very balanced picture and at the 4 1/2 years has the maturity and finish. Nice head, compact body well ribbed back. Good bone and feet, lovely top line and good tail. Moved out well in profile could be a bit more tidy behind.

### **RBIS. Ch. Deneens Fig Tart. Reeves.**

Miniature. 3 years P/S bitch lovely type mini. Good head and expression, neat ears, good topline and tail set. Good in front, well ribbed, with good rear end. Lovely coat moved well, close up.

### **BOS. Philoma The Professional. Willetts.**

Giant. 16 months, typy young dog with a good outline, nice head, developed bone and tail. Yet to develop in depth of body and front, moved well.

### **BPIS. Samavai Spiros, Fletcher.**

Miniature most promising almost 11 months, P/S dog very nice head and neat ears, well used. Is compact with nice outline and to the body depth moved very well keeping a topline-should do well.

### **BVIS.CH Lefenix In Style Lilembe. Stacey.**

Schnauzer 7 1/2 years P/S lovely head and expression, good in body with good forechest. Deep body, nice rear action, good bone and tail, moved out well liked her a lot.
