

Have you had a Giant Schnauzer with bloat?

Nottingham University is doing a research study on potential causes and outcomes.

If you can spare a few minutes to complete their online survey it may help to provide better understanding of this condition.

Take part on the following link:

<https://forms.cloud.microsoft/r/46wuEL2wR1>

Affected and unaffected dogs invited to participate.

Any questions about the survey contact:

Dr Mark Dunning sv-dogs@nottingham.ac.uk
